

WESTERVILLE YOUTH BASEBALL AND SOFTBALL LEAGUE
2025 WYBSL 13U (Blue Hat) BASEBALL LEAGUE
SUMMARY – PROGRAM AND RULES

This league is composed of 13U and approved 11-year-old players. The league will play baseball with modifications. The league is organized and supervised by the 13U General Manager, under direction of the Baseball Program Director, and the WYBSL Board of Trustees. Games are played in accordance with National Federation High School rules with the following modifications and clarifications:

1. GAMES AND CONDITIONS

- A. Games are seven (7) innings in length and will generally be played on Tuesdays, Thursdays, and Saturdays. Make-up games will not necessarily be played if each team has played a minimum of 10 games. If make-up games are necessary to reach the 10 game minimum, they will be played on Sundays, Mondays and during the week following the end of the regular scheduled season and will be scheduled as necessary, generally starting from the canceled games at the beginning of the regular schedule with the intent of equalizing the number of games each team plays.
- B. A game shall end if a team is leading by: (1) fifteen (15) or more runs at the end of the fifth (5th) inning (or after four and one half (4½) innings, if the home team is leading by fifteen (15) runs or more); or (2) ten (10) or more runs at the end of the sixth (6th) inning (or after five and one half innings, if the home team is leading by ten (10) runs or more).
- C. Games less than seven innings are considered **complete** if: 1) they last at least five (5) full innings (four and one-half (4½) innings, if the home team is ahead) and are stopped for any reason. The final score is determined by reverting back to the last complete inning unless the home team is at-bat and ahead when play is stopped. 2) they have reached the two (2) hours and forty-five (45) minutes limit, regardless of the number of innings played. Games that are not complete are considered **suspended** games. When continued, play resumes exactly where it left off when play was stopped (batting order, position of any base runners, pitchers, etc.) and all rules apply as if it was one continuous game.
- D. No new inning is permitted to begin more than **two (2) hours and fifteen (15) minutes** after the start of the game unless the game is not considered complete and in no case may a game continue beyond **two (2) hours and forty-five (45) minutes**.

2. COACHING

- A. Normal defensive alignment consists of nine (9) players – three (3) outfielders and six (6) infielders. All three (3) outfielders must be positioned in the outfield grass before each pitch.
- B. Every player will play a minimum of three (3) defensive innings per game. No player may sit out for a second (2nd) inning until all players have sat out one (1) inning unless the only player that has not sat one inning is the current Pitcher or Catcher. No player may sit out for a third

- (3rd) inning until all players have sat out two (2) innings unless the only player that has not sat two innings is the current Pitcher or Catcher.
- C. At the end of each half inning, the first pitch must be pitched within two (2) minutes, unless the catcher is the final out, when the time limit will extend to three (3) minutes. If the defensive team is not ready to pitch at the listed time limit, a ball will be called at 30 second intervals, until the first (1st) pitch to a batter is delivered.
 - 1. If the catcher or pitcher are on base with two (2) outs, the last player on the bench (the most recent batter not on base, typically the last out) may substitute as a runner for the catcher to expedite putting on the catcher's gear or the pitcher.
 - D. If both paid umpires do not appear for a game, the game shall not be played and will be rescheduled by the Board. If one paid umpire appears for a game, the game shall be played.
 - E. If two (2) charged conferences are taken in one (1) inning, the pitcher must be removed from the pitching position during the second (2nd) conference. Beginning with the fourth (4th) conference in a regulation game, the pitcher must be removed from the pitching position. A conference is not charged if the pitcher is removed or when a player is hurt and must be attended to by a coach. One (1) additional conference is awarded for each extra inning played.

3. EQUIPMENT

- A. Base distance will be 80 feet and the pitching distance will be 54 feet. The baseball used will be an official League baseball selected by the league.
- B. The National Federation rule for bats shall be enforced with the following modification:
 - 1. All Non-wood bats 30" and longer with a 2 $\frac{5}{8}$ Inch barrel diameter must have one of the following appropriate markings to be legal.

- 4. The USABaseball bats shall not weigh numerically more than five (5) ounces less than the length of the bat (for example, a 30" long bat cannot be less than 25 ounces in weight). **Note:** No BBCOR or USABaseball label, sticker or decal will be permitted on any non-wood bat. The marking will have to be part of the manufacture of the bat.
- 5. Wood bats shall be 2 $\frac{3}{4}$ " or less in diameter and 36" or less in length.
- C. Metal spike cleats may not be worn while pitching.

4. OFFENSE

- A. There will be only one (1) batter in the batter's box and one (1) player in the warm-up circle, which must be outside of the backstop or bench fence. All other players and coaches – when not directing the base runners from the coach's box – must remain on their bench or behind their bench fence, except when warming up. No spectators are not permitted to be positioned closer than six (6) feet behind the backstop, unless they are using bleachers that have been provided.
- B. The “delay by batter” rule will be enforced; but, one (1) warning will be given per team.
- C. A coach or player shall not carelessly throw the bat which would include the bat hitting the catcher, umpire, or the fence surrounding the field. Penalty: At the end of playing action, the umpire shall issue a warning to the coach of the team involved and the next offender(s) on the team shall be ejected.

- E. A pitching week runs from Monday through Sunday.
- F. The balk rule will be enforced. Before enforcing the balk rule, the umpire shall give one (1) warning to each team upon its first balk.
- G. An intentional base on balls may be given by the defensive team by having its catcher or coach request the umpire to award the batter first base. This may be done before pitching to the batter or on any ball and strike count. The ball shall be declared dead before making the award, and no further pitches will be required.
